19. Chapel House, Penzance

Making the most of Cornwall's amazing light, every room at this sophisticated little B&B, just moments from the harbour in Penzance, is airy and whitewashed, with splashes of fuchsia and teal. Breakfasts are exquisite, as are the local-ingredient-packed brunches, lunches and dinners offered at weekends. Snuggle up in the cosy drawing room or borrow wellies, hats and gloves, and potter off.

Room to book: Bedroom Two boasts glorious views of St Michael's Mount from your egg-shaped bath. It also has a wood-burning stove. Doubles from £150 (chapelhousepz.co.uk).
